Fine Motor Numbers & Counting Task Card Activity Pack
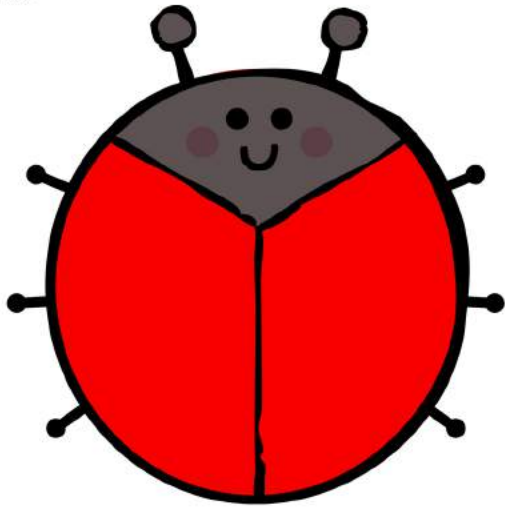

REQUIRED MATERIALS:

- Laminator or Page Protectors

What's Included:

This pack includes two sets of task cards. The first set is for counting and writing numbers 0-11. This set also includes follow up activity worksheets for students to color and write each number. The second set of task cards features number mazes for students to complete. This second set also includes follow up worksheets for students to solve more difficult number mazes and to practice number formations skills.

How to Use:

These task cards are designed to fit perfectly inside standard task card photo containers. (4x6) After laminating the cards, cut them apart and store them inside a task box. There are 24 task cards. You can pair the task cards with the follow-up worksheets or on their own with a dry erase marker. Both the task cards and the activity pages build key fine motor skills.
