Product Features:

Our cut and paste animal crafts are a delightful way to teach students scissor cutting skills while creating fun and adorable creatures! Not only will students practice fine motor, but your children will also build problem solving and sequential order skills too. Our cute crafts for animals great and small will give your kids plenty of excitement using scissors and glue. Students will learn how to follow instructions, build fine motor, learn sequencing, and more!

How to Use:

Students will significantly improve their scissor skills using classroom items including scissors, glue, and coloring utensils. These printable pages encourage coloring, cutting, and pasting onto paper like white or colored cardstock.
