The image is a promotional graphic for 'The Crafty Classroom'. It features a background of a bowl filled with various colored pencils. In the upper left, there are two product boxes: one for 'interactive SPELLING' and another for '50 States NOTEBOOK'. The 'interactive SPELLING' box is colorful and mentions 'HANDS-ON • GAMES • ACTIVITIES • TESTING' and 'EDITABLE 18+ PAGES'. The '50 States NOTEBOOK' box shows a map of the United States and mentions 'EDITABLE 18+ PAGES'. In the upper right, the text 'THE CRAFTY CLASSROOM' is displayed in a colorful, blocky font. At the bottom, the words 'SIMPLE LOW PREP HANDS-ON' are written in a small, sans-serif font, followed by 'HOMESCHOOL CURRICULUM' in a large, bold, white font with a blue outline.

Product Features:

This ASL Animals Mat Pack will invigorate your students to learn how to sign 19 animals while reading and building each creature big and small with pattern shapes. Each sign language mat features an alphabet sign for each letter, geometric model of animal to use for pattern blocks, a word and image, plus a hand sign. All words are designed for easy reading and signing.

How to Use:

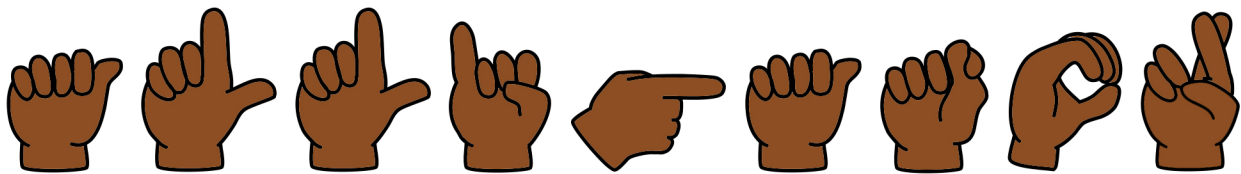

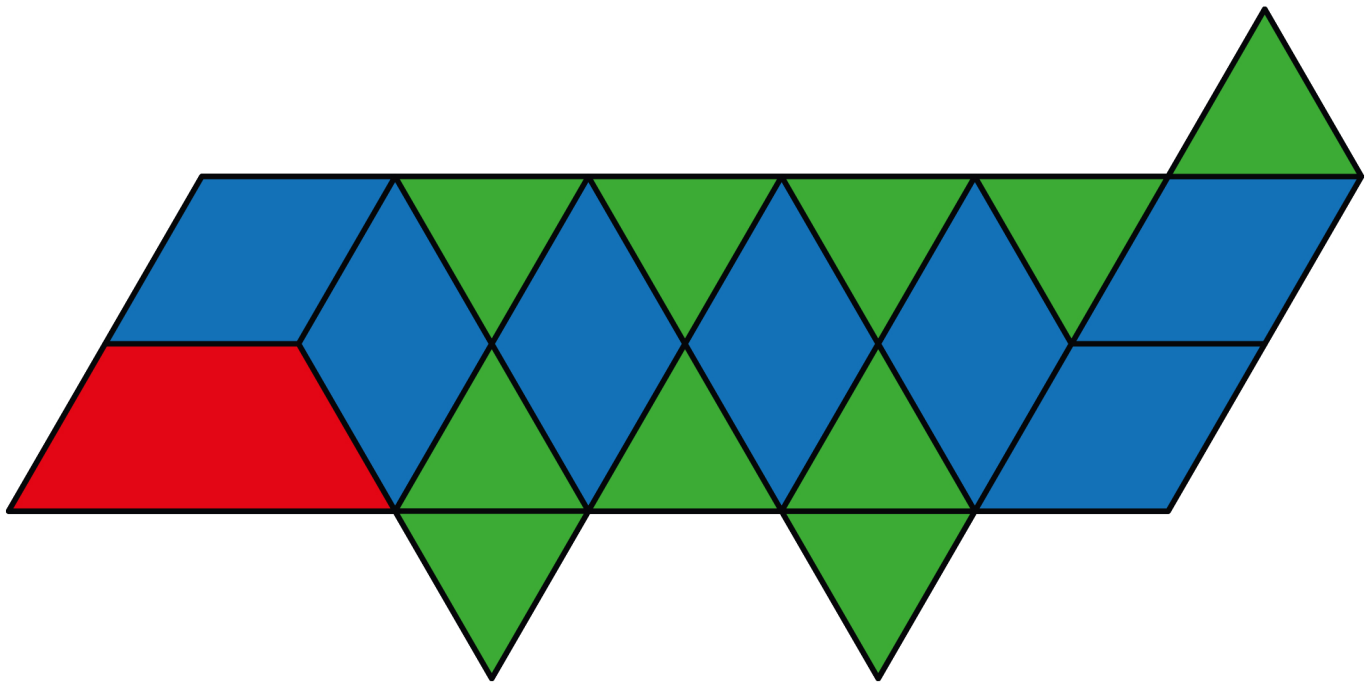

Use these mats to encourage students to practice signing their animal. In addition, kids can practice reading the animal word and signing each letter as well. This makes a great circle time or learning center activity including special needs students.

We suggest printing on cardstock and laminating for classroom use. Additionally, you can adjust your printer settings to make flashcards for students to take home.
