HOMESCHOOL CURRICULUM

Product Features:

This is a bundle containing five of our top-selling geography U.S.A. Activity Packs for multiple ages and abilities. Your students in the classroom or homeschool setting will learn all about our Nifty Fifty United States. With fun, hands-on learning resources, this set will help increase student engagement and retention.

Needs:

Students will need a set of colored pencils or crayons.

How to Use:

Our 50 States activity pages can be used as a unit study or on a daily or semi-daily basis. Students will increase their knowledge on all fifty states by learning their geography, capital, flower, bird, and much more! Your student will practice writing, draw states, solve the mazes, color in the pictures, and map each state. All printable pages can be used as morning work, learning stations, and take-home papers. These colorful and engaging activities are designed to build students' knowledge of all U.S.A.'s 50 States, problem-solving, and critical thinking. Reinforce their learning with Nifty Fifty States songs and readily available maps.
