Alphabet Weekly Review Pack

About: This packet is designed to coordinate with our letter of the week [Alphabet Curriculum Notebook](#), however it can be used alone as a daily letter review as well.

Contents:

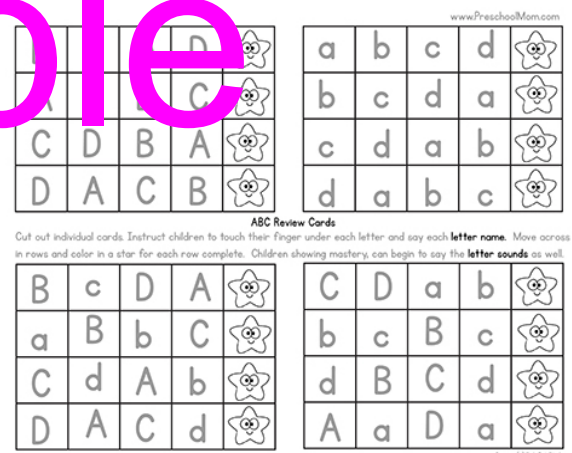

Letter of the Day Review Worksheets

For each letter of the alphabet children review uppercase and lowercase letter identification, writing, and beginning letter sound. There is a letter maze and a bracelet for children to wear featuring different fonts and ASL of the same letter.

Assessment Cards

Additionally there are four Assessment cards for each week of review. Use one a day following the instructions written on the cards.

Incorporation: When used with our [Alphabet Curriculum Notebook](#), we suggest taking a review week every four weeks just to cover the previous four letters learned and incorporating some of the games and activities each day.

- Review Week 1: Letters A-D
- Review Week 2: Letters E-H
- Review Week 3: Letters I-L
- Review Week 4: Letters M-P
- Review Week 5: Letters Q-T
- Review Week 6: Letters U-X
- Review Week 7: Letters Y & Z
