## Fine Motor Geoboard Task Card Activity Pack

### REQUIRED MATERIALS:

- Laminator or Page Protectors
- 5x5 Geoboard
- Rubber bands (rainbow loom bands work perfectly)

### What's Included:

This pack includes 3 sets of geoboard task card on 21 pages; Uppercase Alphabet, Lowercase Alphabet, and Beginning Sound Pictures. In addition to the task cards, this pack includes 10 Create & Draw alphabet geoboard worksheets, 8 Create & Draw geoboard pictures, and 3 universal follow-up activity pages.

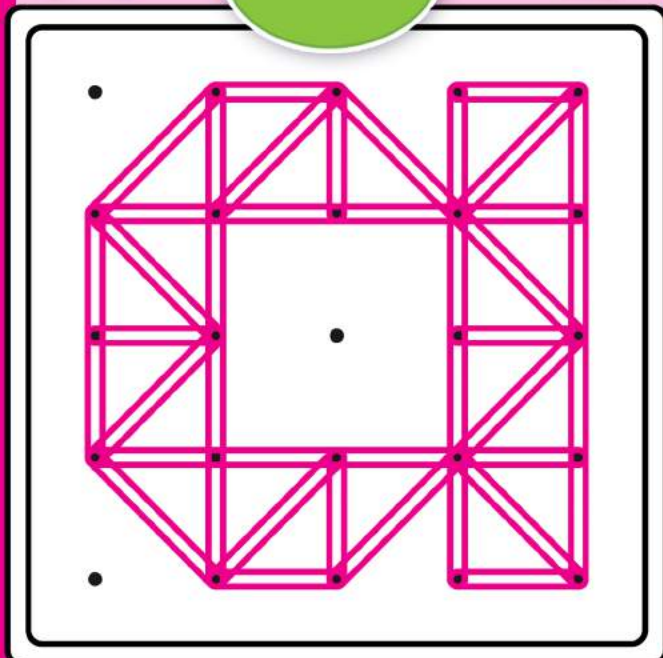

### How to Use:

These task cards are designed to fit perfectly inside standard task card photo containers. (4x6) After laminating the cards, cut them apart and store them inside a task box. There are 78 task cards so they should fill up 2/3 of the box. Each task card gives students an a letter or a picture to make on their geoboard as well as a follow up math question. You can pair the task cards with the universal follow-up worksheets, or the create and draw pictures. Both the task cards and the activity pages build key fine motor skills.
